

### **What to expect in your dorm room**

All beds are twin size. MBL provides sheets, towels, a blanket, and a pillow. Fresh sheets are provided weekly; towels bi-weekly. Extra bath towels, additional bars of soap, beach towels, and extra blankets are not available. As the early summer months may be cool in the evening, occupants may wish to bring an extra blanket along with any other supplies. Dorm rooms are not air conditioned, so you also may want to bring a fan during the summer months.

No pets are allowed in MBL on -campus housing.

Check-out time is 10:00 AM on the date of departure
