

Connecting your iPhone or iPad to the Zeiss ERc-5s Axiocams

Connect your device to the WiFi network called MBL-Labscope

When prompted for a password, enter: labscope

Search for Labscope at the App Store and download. *App only available for iPhone.*

Open the Labscope app on your device and follow the pop-up help prompts.

Documentation and user manuals are also available at
<https://www.zeiss.com/labscope>

For assistance please contact William Haskins at whaskins@mbl.edu or at x7227
