

Tube racks to hold test tubes from Mars Fishcare API water quality tests common with home and laboratory water quality testing. Racks lock to allow users to add rows to accommodate a specific number of tubes. Available in 3x3 racks and 1x3 locking racks.

Design modified from <https://www.thingiverse.com/thing:2041921> by user “kern2011”.
Modifications to allow racks to lock and reduce material required.

Developed by the National Xenopus Resource (NXR) at the Marine Biological Laboratory and designed by Carl Anderson.

Visit www.mbl.edu/xenopus for more information about our work and additional 3-D printed objects.
